Allura Fiber Cement Siding

SOLID COLOUR SERIES

**OUR STRONG
RELATIONSHIPS WITH
COATING AND SUBSTRATE
MANUFACTURERS ENSURE
YOU RECEIVE A HIGH
QUALITY PRODUCT.**

VARIOUS COLOURS TO SUIT YOUR NEEDS.

PINNACLE Solid Colour Series is available pre-finished in multiple designer colours, as well as custom colours upon request.

A PRODUCT THAT IS BUILT TO LAST.

Allura products endure rigorous testing in accordance with ASTM C1186 requirements. These standards include a stringent review of flexural strength, moisture movement, frost resistance, traverse loading and water absorption. The 50-year limited substrate warranty provided by Allura is partnered with a 30-year coating warranty, including a 15-year labor component.

For more information visit us at taigabuilding.com, or to request samples, please contact your local Taiga representative.
